

WeightBusters for Life

Fast Weight Loss and Long-Term Health Solutions!

Hello! My name is Joanne Breuer.

I'm a Certified Health Advisor and am excited to provide you with information regarding our program. Take Shape for Life is committed to helping you achieve optimal weight loss and maintain your weight with simple strategies for lifelong health. With the personal support of a Health Advisor, we will help you reach your weight goal with Medifast meals that are low calorie, low fat, and nutritionally balanced. The 5&1 Plan is carefully designed to give you the right amount of food to keep you satisfied while you lose weight. Along the way, your Health Advisor will be there to provide the care and support you need to succeed and maintain your weight loss and health program for life.

Medifast has been clinically proven by major research institutions and has been recommended by over 20,000 physician. You can visit us on my website www.weightbustersforlife.tsfl.com to view inspirational weight loss successes from people like you.

Please review the Quick Start Guide on my website at www.weightbustersforlife.tsfl.com click on the icon "Support Center" then "Tools and Resources". There you will find an outlined of our program that's 5 meal replacements (our product) a day with one lean and green meal (lean source of protein and a salad or a vegetable) per day. You're only responsible for the lean and green meal...we'll take care of the rest.

Please review the Rewards Program which is our progressive discount rewards program and a great way to get a discount every month and you will always receive FREE SHIPPING with an order of \$225 before your discount. With your next order you will receive a discount of 5% or 3 month then 8% for 3 month and in your 7th month you will be at 12%. This is a great way to off set your shipping costs when you are on maintenance. You will earn points with every order that you can turn in for free merchandise. Plus it makes it super easy to stay on the program without thinking about it! .

After your initial order your average order each month will come to around \$225. With our discount program you will receive a 5% discount the first 3 months and 8% discount the following 3 months and 12% discount after 7 month and always free shipping. I will give you a \$25 referral credit towards meals for EACH new client referral you refer to me that gets started on the program!

If you do decide to get started...please call me so I can get you your discounts! :) So, you just call when you're ready!!

We also have a great online support center that allows you to log your weight loss, foods eaten daily, and exercise and keep inventory of your products. It has recipes, articles and a chat room! It is a wonderful additional to the support that you get from me! Go to my website www.weightbustersforlife.tsfl.com and click on the "Resources" icon on the home page.

Also, we have free support calls made available by the company. Click here for more info.
